

# Festival p o l i t i s c h e r Film #1 Berlin / 23. – 26. Januar 2020

PRESS RELEASE

## Festival political film: the program of the first edition is ready!

A total of 12 films (6 fiction films and 6 documentaries) are shown, which thematize the effects of National Socialism on our immediate present.

The festival opens with Cornelius Schwalm's tragicomedy **HOTEL AUSCHWITZ**. A theater group travels to Auschwitz for study purposes, but in addition to the big topic, everyone is pursuing their own private goals.

We were able to win Philippe Mora's comedy **SNIDE AND PREJUDICE** as Germany premiere. An unusually brave and subtle satire set in an experimental psychiatric institute in Los Angeles.

**#Uploading\_Holocaust** is an unusual documentary by Sagi Bornstein and Udi Nir. The directors watched over a thousand hours of material on YouTube and created an authentic, emotional and haunting film.

Further films at the festival political film # 1

**Gebürtig** by Robert Schindel and Lukas Stepanik / **The war in me** by Sebastian Heinzel / **I don't care if we will go down in history as barbarians** by Radu Jude / **Austerlitz** by Sergei Loznitsa / **Three Days in Auschwitz** by Philippe Mora / **L'Chaim** by Elkan Spiller / **Winterhunt** by Astrid Schult / **Jalda and Anna** by Katinka Zeuner and Benjamin Laser / **The Bloom of Yesterday** by Chris Kraus/

Two workshops and a matinee complete the program.
